

## **School Anthem**

Ours is the shield  
That bears the stars  
Each one for God, School,  
Family and the Nations

And there's the cross  
Of wounds and scars  
That speak of sacrifice  
Of losing all  
To win the life that counts

So may our words speak truth,  
May our hands show compassion  
May our minds use well  
The knowledge we gain

As God guides each day  
In our hearts we'll hold  
The blue, white and gold  
Of Saint Andrew's
